

Dear parents and guardians,

theINmag is an Australian magazine made by kids, for kids - a place where Aussie kids share their creations and inspire each other. Your child's teacher is using theINmag in the classroom and would like to be able to submit your child's creations for possible publication.

For any kid's creation to be published, we need a parent or guardian's permission. That's what this form is for.

By signing below, you give consent for:

- Your child's creations (writing, art, photography, puzzles, jokes and the like) to be submitted to theINmag for review
- Selected creations to be published in print, on our website and on our social channels
- Your child's first name, surname initial, age and town to be published alongside their creation

All proceeds from theINmag are reinvested into making the next issue. This consent remains in place for the current school year. You can withdraw it any time by letting your child's teacher know.
